11th APGGC 2019

The 11th Asian Pacific General Galvanizing Conference (APGGC) will be held in Bangkok, Thailand, during 23rd - 26th July 2019. By the concept of “Znchronize Asia for the future”, the event is going to present the world class technology along with all other aspects regarding general (batch) hot dip galvanizing industry. The scope of the conference will also cover all relating industries. We are incorporating with corrosion specialist, steel producer and fabricator to expand the whole industry as one. The event is organized by Asian Pacific General Galvanizing Association (APGGA) and hosted by Thai Galvanizing Association (TGA).

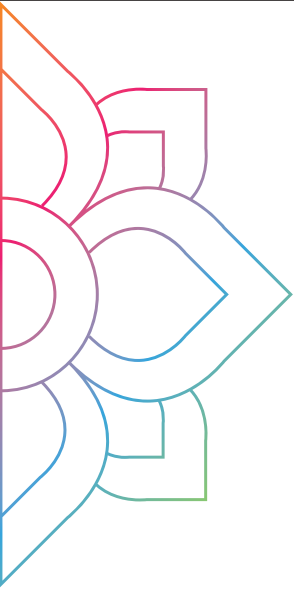

Features of 11th APGCC 2019

- 2 days conference programme
- Interactive workshops
- Extensive trade exhibition
- Visits to galvanizing plants in Thailand
- Exciting social programme
- Sightseeing tours for accompanying persons

Amazing Bangkok

Bangkok, is the capital city of Thailand. Bangkok is the hub for most of the commercial and economical activities of the Kingdom. Bangkok is very famous and appreciated by visitors for its versatility and multiple points of interests. From temples, the Grand Palace, all the way over some of Asia's largest shopping centers. Bangkok has developed into a magnet for food lovers of all origins. The same range of choice applies to the accommodation options all over town, from high end international chain hotels to family run guesthouses, demands of all travelers are met. In terms of wellness and relaxation – Bangkok is the city where the business of spas and wellness centers has a huge development. Moreover that the signature “Thai massage” from local knowledge is famous too.

INTERESTED IN SPONSORSHIP

There are excellent opportunities for suppliers of plants, equipment, process chemicals and other services to the industry to raise their profile through sponsorship packages and specific aspects of THE 11th ASIA PACIFIC GENERAL GALVANIZING CONFERENCE 2019.
